

LBHP and BAYOU HEALTH PMPM PAYMENTS SCHEDULE, STATE FISCAL YEAR 2016

Published 6-30-2015

All dates shown below represent **claim status date (i.e., Molina payment date)**, and are subject to change based on DHH direction.

PMPM payments not shown below are:

BYU retro baby payments

BYU adjustments due to retrospective capitation rate changes from Mercer

LBHP adjustments due to retrospective capitation rate changes from Mercer

Other adjustments and/or payments due to DHH requests

(because they cannot be scheduled on a fixed basis at this time).

NOTE: An asterisk (*) after the claim status date indicates that this is not a Tuesday date and is changed due to the LTC payment schedule.

PMPM Scheduling Rules

The method for determining how the schedules for the PMPMs are developed is explained below.

LBHP: Magellan requires this to be the first cycle of each month. It will be paid on a Tuesday.

Bayou Health (BYU): As requested by DHH (Ruth Kennedy), the payment should be made on the closest Tuesday to the 15th of the month.

Dental: As requested by DHH (Jen Steele), the payment should be made the 3rd week of each month. It will be paid on the Tuesday. Molina requested a different date than the LBHP and Bayou Health since paying in the third week would reduce the risks (such as delays, etc.)
