

MCO PMPM PAYMENTS SCHEDULE, STATE FISCAL YEAR 2017 (July 2016 – June 2017)

Published 3-28-2017

All dates shown below represent **claim status date (i.e., Molina payment date)**, and are subject to change based on LDH direction.

PMPM payments not shown below are:

- BYU adjustments due to retrospective capitation rate changes from Mercer

- CSOC adjustments due to retrospective capitation rate changes from Mercer

- Quarterly CSOC adjustments, voids, retros

- Other adjustments, recoveries, and/or payments due to LDH requests (because they cannot be scheduled on a fixed basis at this time).

NOTE: An asterisk (*) after the claim status date indicates that this is not a Tuesday date and is changed due to the LTC payment schedule.

PMPM Scheduling Rules

The method for determining how the schedules for the PMPMs are developed is explained below.

Bayou Health (BYU): As requested by LDH, the payment should be made on the closest Tuesday to the 15th of the month. Bayou Health is now termed "**Healthy Louisiana Plans**". The abbreviation is HLA MCO Plans.

CSOC: As requested by LDH, the payment should be made at the same time as the BYU monthly payment.

Dental: As requested by LDH, the payment should be made the 3rd week of each month. It will be paid on the Tuesday.
