**ADULT WAIVER DENTAL PROGRAM FEE SCHEDULE**

The tables on the following pages contain the reimbursable dental procedure codes and fees for dental services for adults with intellectual or developmental disabilities in the Louisiana Medicaid Adult Waiver Dental program. In order to qualify for these benefits, a beneficiary must be enrolled in the New Opportunities Waiver, Residential Options Waiver or the Supports Waiver and be 21 years of age and older.

All procedures listed in the fee schedule are subject to the guidelines, policies and limitations of the Medicaid program. Please refer to the Dental Benefits Program Manager (DBPM) manual and the individual DBPM provider manuals for complete guidelines, policies and limitations for each procedure.

All services marked with an asterisk (\*) in the code column require prior authorization.

All services marked with a number sign (#) in the code column require a tooth number or letter to be specified on the claim form for payment and on the prior authorization request when prior authorization is required.

All services marked with a plus sign (+) in the code column require an oral cavity designator to be specified on the claim form for payment.

All fees marked with five (5) asterisks (\*\*\*\*\*) in the fee column will be priced manually.

The CDT Code and Nomenclature below have been obtained from current dental terminology (including procedure codes, nomenclatures, descriptors and other data contained therein) (“CDT”). CDT is copyright © 2020 American Dental Association. All rights reserved. Applicable FARS/DFARS apply.
