Dear Ms. Kennedy:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved a two-year renewal of the portion of the Louisiana's Greater New Orleans Community Health Connection (GNOCHC) section 1115 demonstration (Project No. 11-W-00252/6) that ensures the continued provision of services to residents with incomes at or below 100 percent of the federal poverty line. CMS has also approved removing the requirement to be uninsured for six months as a condition of eligibility under the demonstration. The demonstration will continue to receive federal financial participation at the state's regular federal medical assistance percentage (FMAP) and is now set to expire on December 31, 2016.

This demonstration project is subject to the limitations specified in the enclosed lists of waiver and expenditure authorities. The state may deviate from Medicaid state plan requirements only to the extent those requirements have been specifically waived or, with respect to expenditure authorities, listed as not applicable to expenditures for demonstration populations and other services not covered under the state plan.

The approval of the GNOCHC extension is conditioned upon continued compliance with the enclosed special terms and conditions (STCs) defining the nature, character, and extent of anticipated federal involvement in the project. The award is subject to our receiving your written acknowledgement of the award and acceptance of these STCs within 30 days of the date of this letter.

Written acceptance should be sent to your project officer, Ms. Mehreen Hossain. Ms. Hossain's contact information is as follows:
