5010 WEB LINKS

Implementation date for 5010 is January 1, 2012

Less than 300 days until the HIPAA 5010 compliance date!

The link below will take you to the Centers for Medicare & Medicaid Services (CMS) website that contains information and educational resources pertaining to:

- Version 5010 - the new version of the X12 standards for HIPAA transactions;

- Version D.0 - the new version of the National Council for Prescription Drug Program (NCPDP) standards for pharmacy and supplier transactions;

- Version 3.0 - a new NCPDP standard for Medicaid pharmacy subrogation

These versions are required by modifications made to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) in January 2009.
