Medicaid Coverage of Delivery Services Provided in Free Standing Birthing Centers:

Free Standing Birthing Centers (FSBC's) are now eligible for enrollment in Medicaid for the provision of vaginal delivery services. Facility enrollment packets and the FSBC provider manual are available online at www.LaMedicaid.com. Facility criteria for enrollment, program policy, and facility billing instructions are outlined in the provider manual.

Retrospective enrollment of FSBC's will not be authorized. The enrollment process must be complete prior to the provision of services. Services provided on dates of service prior to the effective date of enrollment are not eligible for reimbursement.
