

**Attention Federally Qualified Health Centers (FQHC) and
Rural Health Clinic (RHC) Providers**

Effective April 1, 2019, and with dates of service forward, Louisiana Medicaid has established an alternative payment methodology (APM) for behavioral health services provided in FQHC and RHC settings. All FQHC and RHC providers should review the Informational Bulletin at <http://www.ldh.la.gov/index.cfm/page/1198> for additional information regarding this change.

Information regarding this change is forthcoming and will be located on www.lamedicaid.com under the Provider Manuals link, within the FQHC and RHC Provider manual. An update to the FQHC and RHC fee schedules is also forthcoming.

Questions regarding managed care claims should be directed to the appropriate Managed Care Organization.
