MEMORANDUM

DATE: September 9, 2020

TO: Assisted Living Facilities

FROM: Louisiana Medicaid

SUBJECT: **Reminder** - Assisted Living Facilities can now apply for Provider Relief Funding

As a reminder, on September 1, 2020, the U.S. Department of Health and Human Services (HHS), through the Health Resources and Services Administration (HRSA), announced assisted living facilities may now apply for funding under the Provider Relief Fund Phase 2 General Distribution allocation. Like other providers applying for Phase 2 funding, eligible assisted living facilities will receive 2 percent (2 %) of their annual revenue from patient care.

Assisted Living Facilities that may have been previously ineligible to apply for Phase 2 General Distribution funding should apply now.

Assisted living facilities, like all providers applying for the current Phase 2 General Distribution funding, will have until September 13, 2020 to begin their application by entering their Tax Identification Number (TIN) for validation.

Louisiana Medicaid has also created additional [Frequently Asked Questions](#) to help with the process after several discussions with providers about the difficulties faced. If you have questions about your eligibility, the application process or the status of an application you submitted, please call **HHS's Provider Hotline at (866) 569-3522** for assistance.
