

Immunization Fee Schedule Updates – 2024-2025 Influenza Vaccines and VFC

Louisiana Medicaid has updated the following immunization fee schedules to reflect recent changes which include coverage of the influenza vaccines for recipients of all ages and changes related to Vaccines for Children (VFC).

- Children/Adolescents: (birth through age 18)
- Young Adult: (ages 19 and 20)
- Adult: (ages 21 years and older)

The changes below are identified in blue font within each applicable fee schedule (both current and previous) for easy identification:

Immunization Coverage Added/Updated Effective for DOS on and after August 1, 2024:

- 90611 has been added to VFC for recipients age 18 years old. VFC claims reimburse at \$0.
- 90653 has been added for beneficiaries age 65-99 and will reimburse at \$83.49.
- 90656 the fee has been updated to \$22.35.
- 90657 has been added for beneficiaries age 19-99 and will reimburse at \$10.93.
- 90658 the fee has been updated to \$21.86.
- 90660 has been added to VFC for children age 6 months through 18 years old. VFC claims reimburse at \$0. Recipients age 19-49 will reimburse at \$28.87.
- 90661 has been added to VFC for children age 6 months through 18 years old. VFC claims reimburse at \$0. Recipients age 19-99 will reimburse at \$36.85.
- 90662 has been added for beneficiaries age 65-99 and will reimburse \$83.49.
- 90673 has been added for beneficiaries age 19-99 and will reimburse at \$83.49.

Vaccines for Children Coverage

- Vaccines for Children (VFC) coverage ended for the following codes effective August 1, 2024:
90649 90672 90674 90685 90686 90687 90688

Correction:

- 90480 the published rate has been corrected. Claims have reimbursed correctly at \$30.78 for DOS on and after 01/01/2024.

Questions related to fee-for-service claims should be directed to Gainwell Technologies Provider Relations at (800) 473-2783 or (225) 924-5040.

Questions regarding managed care claims should be directed to the appropriate managed care organization (MCO).
