FREE STANDING REHABILITATION CENTERS LEGEND

Listed below are some aids we hope will help you understand this fee schedule. If, after reading the information below, you need further clarification of an item, please call Unisys Provider Relations at 1-800-473-2783.

- COLUMN 1. TS (Type Service): Definition: Files on which codes are loaded and from which claims are paid. The file to which a claim goes for pricing is determined by, among other things, the type of provider who is billing and by the modifier appended to the procedure code.
- Listed below is an explanation of the types of service found on this schedule.
- 03 Full Service. The file from which physician, physician-owned lab and independent lab services are paid. Nurse Practitioners, Clinical Nurse Specialists, Certified Nurse Specialists, Certified Nurse Midwives, and Physician Assistants are paid at 80% of this fee.
- 05 Professional component. Claims with modifier -26 are priced from this file.
- 07 Full service file for physician services for recipients 0 through 15 (0-15) years of age. Nurse Practitioners, Clinical Nurse Specialists, Certified Nurse Midwives, and Physician Assistants are paid at 80% of this fee except for immunizations and EPSDT preventive medical, vision and hearing screenings which are reimbursed at 100%.

 See Immunization Fee Schedule and Louisiana Medicaid EPSDT Program Fee Schedule.
- 09 Rehabilitation Centers.
- COLUMNS 2, 3 and 4. CODE, DESCRIPTION and FEE.
- COLUMN 5. AGE MIN and MAX: Codes with minimum or maximum age restrictions. If the recipient's age on the date of service is outside the minimum or maximum age, claims will deny. The fee schedule cannot display age restrictions in days or months; therefore providers should follow Current Procedural Terminology(CPT) coding guidelines based on the age of the recipient on the date of service.
- COLUMN 6. MED REV (Medical Review): Claims with some codes pend to Medical Review for review of the attachments or for manual pricing.
- COLUMN 7. PA (Prior Authorization): Some services must be prior authorized before they are rendered. If a PA request is approved, a PA number will be issued for inclusion on the claim. If a PA request is not approved, no payment for the service will be made.
- COLUMN 8. SEX (Restriction): Some procedure codes are indicated for only one sex.
- COLUMN 9. PSR (Provider Specialty Restriction): If a code has a provider specialty restriction, reimbursement for its performance will not be made to other specialties.
- COLUMN 10. SL (Service Limitation): Codes with frequency limitations. For example, this could include yearly or lifetime limits.
- COLUMN 11. X-OVERS (Only): These codes are payable for Medicare/Medicaid recipients only.
- COLUMN 12. UVS>001: An 'X' in this column means more than one unit of service per day may be billed.
