^{**}Note: Room and Board is not a State Plan service, but was historically covered under LBHP at the rates listed.

^{***}In alignment with the methodology used by Medicaid, ACT services should be billed based on the Medicaid Recipient's age as of the first of the month. The youth per diem would be used for the entirety of the month during which the youth turns 21, and the adult per member per month would be used beginning with the month subsequent to the recipient's birth month.
