CLAIMS RELATED INFORMATION

Hard copy billing of waiver services are billed on the paper CMS-1500 (02/12) claim form or electronically on the 837P Professional transaction. Instructions in this appendix are for completing the CMS-1500; however, the same information is required when billing claims electronically. Items to be completed are listed as **required, situational** or **optional**.

Required information must be entered in order for the claim to be processed. Claims submitted with missing or invalid information in these fields will be returned unprocessed to the provider with a rejection letter listing the reason(s) the claims are being returned, or will be denied through the system. These claims cannot be processed until corrected and resubmitted by the provider.

Situational information may be required, but only in certain circumstances as detailed in the instructions that follow.

Paper claims should be submitted to:

Gainwell Technologies
P.O. Box 91020
Baton Rouge, LA 70821

NOTE: Electronic claims submission is the preferred method for billing. (See the Electronic Data Interchange (EDI) Specifications located on the Louisiana Medicaid website at www.lamedicaid.com, directory link "Health Insurance Portability and Accountability Act (HIPAA) Information Center, sub-link "5010v of the Electronic Transactions" – 837P Professional Guide").

This appendix includes the following:

1. Instructions for completing the CMS 1500 claim form and samples of completed CMS-1500 claim forms; and

2. Instructions for adjusting/voiding a claim and samples of adjusted CMS 1500 claim forms.

CMS 1500 (02/12) Instructions for ADHC Waiver Services

In order to access the CMS 1500 (02/12) Instructions for Waiver Services and to view sample forms, use the following link:
https://www.lamedicaid.com/Provweb1/billing_information/CMS_1500.htm.

NOTE: You must write "WAIVER" at the top center of the claim form.

ADJUSTING/VOIDING CLAIMS

An adjustment or void may be submitted electronically or by using the CMS-1500 (02/12) form.

Only a paid claim can be adjusted or voided. Denied claims must be corrected and resubmitted, not adjusted or voided.

Only one claim line can be adjusted or voided on each adjustment/void form.

For those claims where multiple services are billed and paid by service line, a separate adjustment/void form is required for each claim line if more than one claim line on a multiple line claim form must be adjusted or voided.

The provider should complete the information on the **adjustment** exactly as it appeared on the original claim, **changing only the item(s) that was in error and noting the reason for the change in the space provided on the claim**.

If a paid claim is being voided, the provider must enter all the information on the **void** from the original claim exactly as it appeared on the original claim. After a voided claim has appeared on the Remittance Advice, a corrected claim may be resubmitted (if applicable).

Only the paid claim's most recently approved internal control number (ICN) can be adjusted or voided; thus:

1. If the claim has been successfully adjusted previously, the most current ICN (the ICN of the adjustment) must be used to further adjust the claim or to void the claim; or

2. If the claim has been successfully voided previously, the claim must be resubmitted as an original claim. The ICN of the voided claim is no longer active in claims history.

If a paid claim must be adjusted, almost all data can be corrected through an adjustment with the exception of the Provider Identification Number and the Beneficiary/Patient Identification Number. **Claims paid to an incorrect provider number or for the wrong Medicaid beneficiary cannot be adjusted. They must be voided and corrected claims submitted.**

Adjustments/Voids Appearing on the Remittance Advice

When an Adjustment/Void Form has been processed, it will appear on the Remittance Advice under ***Adjustment or Voided Claim***. The adjustment or void will appear first. The original claim line will appear in the section directly beneath the Adjustment/Void section.

The approved adjustment will replace the approved original and will be listed under the "Adjustment" section on the RA. The original payment will be taken back on the same RA and appear in the "Previously Paid" column.

When the void claim is approved, it will be listed under the "Void" column of the RA.

An Adjustment/Void will generate Credit and Debit Entries which appear in the Remittance Summary on the last page of the Remittance Advice.

Providers should refer to the General Information and Administration Provider Manual chapter of the Medicaid Services Manual located on the Louisiana Medicaid website below for general information concerning topics relative to general claims filing.
