

**CHAPTER 7: COMMUNITY CHOICES WAIVER****APPENDIX F: CONCURRENT SERVICES****PAGE(S) 1****CONCURRENT SERVICES**

Waiver services that are available while a recipient is in a nursing facility or in a hospital are considered concurrent services. Some Community Choices Waiver services are payable when a recipient is in a nursing facility or hospital. All services must be prior approved as indicated in Section 7.1 – Covered Services.

The following Community Choices Waiver services are payable when a recipient is transitioning from a nursing facility to the community or when a recipient who has been receiving Community Choices Waiver services has a temporary stay in a hospital or a nursing facility:
