**DURABLE MEDICAL EQUIPMENT****TABLE OF CONTENTS**

| <b>SUBJECT</b>   | <b>SECTION</b> |
|--|----------------|
| <b>OVERVIEW</b>  | <b>18.0</b>    |
| <b>SERVICES AND LIMITATIONS</b>  | <b>18.1</b>    |
| Covered Services   |                |
| Durable Medical Equipment and Supplies                                 |                |
| Prosthetics and Orthotics  |                |
| Service Limitations for Nursing Homes and Intermediate Care Facilities |                |
| Non-Covered DME Services and Items                                     |                |
| Purchase versus Rental   |                |
| Purchasing Guidelines - Equipment                                      |                |
| Provider Responsibilities – Rental Equipment                           |                |
| Limitations for Replacement Equipment                                  |                |
| Equipment Maintenance and Repair                                       |                |
| <b>SPECIFIC COVERAGE CRITERIA</b>                                      | <b>18.2</b>    |
| 18.2.1 Respiratory Supplies and Equipment                              |                |
| 18.2.1.1 Apnea Monitors  |                |
| Medical Criteria for Authorization of Payment for Apnea Monitor        |                |
| Apnea of Prematurity   |                |
| Apnea of Infancy   |                |
| Following an Apparent Life-Threatening Event                           |                |
| Apnea Monitor Initial Authorization Period for Rentals                 |                |
| Apnea Monitor Extensions after Initial Three Months                    |                |
| 18.2.1.2 Oxygen Concentrators  |                |
| Reimbursement for Oxygen Concentrators                                 |                |
| Portable Oxygen  |                |
