

CHAPTER 10: MEDICAL TRANSPORTATION

SECTION 10.13: AMBULANCE - CLAIMS AND ENCOUNTERS**PAGE(S) 6**

CLAIMS AND ENCOUNTERS**Claims Filing**

Ambulance providers shall submit claims using the CMS 1500 Health Insurance Claim Form (paper) or the 837P (electronic).

Ambulance providers shall submit claims for emergency ground ambulance and all air ambulance transportation to the Louisiana Department of Health (LDH) fiscal intermediary and non-emergency ground ambulance transportation to the transportation broker.

Claims shall be submitted within 365 days of the date of service.

Medicaid and Medicare Part B

Services for Medicare Part B beneficiaries should be billed to the Medicare carrier on the Medicare claim form. Medicare will make payment and cross the claim over to the fiscal intermediary for Title XIX payment.

Medicaid will not make payment on any claim denied by Medicare as not being medically necessary. Qualified Medicare Beneficiary (QMB) claims are included in this policy.

For trips that are not covered by Medicare but are covered by Medicaid, payment will not be made unless the claim is filed with the Medicare explanation of benefits (EOB) attached stating the reason for denial by Medicare.

For claims that fail to cross over electronically, a hard-copy claim may be filed up to six months after the date of the Medicare EOB, provided that the claim was filed with Medicare within a year of the date of service.

Medicaid does a cost comparison of cross-over claims to determine if Medicare paid more than Medicaid for the claim. If this occurs and Medicare has paid more than Medicaid reimburses for the service, the claim will be “zero” paid and the ambulance provider will be considered paid in full. No balance may be collected from the beneficiary.
