T1026	Hourly PDHC services – (six hours or less per day)	\$42.01/hour
T2002	Transportation per diem	\$29.40/day

**If the recipient is approved for *full days* of PDHC services, Procedure Code T1026 will be automatically generated with the prior authorization for a percentage of the number of days approved for T1025. This code is to be used on days when the child cannot attend for the *full day* so that providers can bill for the actual *service hours of six hours or less*. These two procedures codes cannot be billed for the same day.
