
CHAPTER 5: PROFESSIONAL SERVICES

SECTION 5.1: COVERED SERVICES**PAGE(S) 1**

Consultations

A consultation is a type of evaluation and management (E/M) service provided by a physician at the request of another physician to either recommend care for a specific condition or to determine whether to accept responsibility for ongoing management of the recipient's entire care or the care of a specific condition.

Providers should refer to Section 5.1 – Concurrent Care – Inpatient in for applicable policy.
