Podiatry

A listing of procedures payable by Louisiana Medicaid to podiatrists can be found in Appendix G. These procedures fall within the scope of practice for podiatrists as defined by the Louisiana Podiatry Practice Act and may be billed to the Louisiana Medicaid Program by any currently licensed podiatrist who is enrolled as a Medicaid provider.

If there is a service that is within the scope of practice for podiatry that is not on the list of reimbursable services, a request for consideration may be submitted in writing to Louisiana Medicaid. (See Appendix A for contact information)
