**Professional Fee Schedule**

The Professional Services fee schedule is maintained on the Louisiana Medicaid website. Providers should review the website regularly for fee schedule additions, deletions and updates. A legend can be found on the first page of the published fee schedule that explains the information contained on the schedule. (See Appendix A for information on accessing the fee schedule)

Louisiana Medicaid also notifies providers of significant fee schedule changes through remittance advice messages and the *Provider Update*.

Providers may contact the fiscal intermediary's Provider Relations Unit to determine a reimbursement rate or other information for a covered procedure code not listed on the published fee schedule. (See Appendix A for contact information)
