# **Adjustments and Voids**

#### Completing the 213 Adjustment/Void Form

The 213 adjustment/void form is used to adjust or void incorrect payments on the CMS-1500. These forms may be obtained from Molina Medicaid Solutions by calling Provider Relations at (800) 473-2783 or at <a href="www.lamedicaid.com">www.lamedicaid.com</a> using the Forms/Files/User Guides link. Instructions and an example of a completed 213 adjustment form are shown on the following pages.

If a claim has been paid using the 837P claim transaction, an adjustment or void may be submitted electronically or by using the Molina 213 adjustment/void form.

Only **one** claim line can be adjusted or voided on each adjustment/void form.

Only a **paid** claim can be adjusted or voided. Denied claims must be corrected and resubmitted – not adjusted or voided.

Only the paid claim's most recently approved control number can be adjusted or voided. For example:

- 1. A claim is approved on the remittance advice dated 07/17/2010, ICN 0198156789000.
- 2. The claim is adjusted on the remittance advice dated 12/11/2010, ICN 0345126742100
- 3. If the claim requires further adjustment or needs to be voided, the most recently approved Control number (0345126742100) and RA date (12/11/2010) must be used.

Claims paid to an incorrect provider number or for the wrong Medicaid recipient cannot be adjusted. They must be voided and corrected claims submitted.

To file an adjustment, the provider should complete the adjustment as it appears on the original claim form, changing the item that was in error to show the way the claim should have been billed. The approved adjustment will replace the approved original and will be listed under the "adjustment" column on the RA. The original payment will be taken back on the same RA in the "previously paid" column. An example of an adjustment appears within this document.

To file a void, the provider must enter all the information from the original claim exactly as it appeared on the original claim. When the void claim is approved, it will be listed under the "void" column of the RA and a corrected claim may be submitted (if applicable).

**APPENDIX D: CLAIMS FILING** 

**PAGE(S) 31** 

#### Filing Adjustments for a Medicare/Medicaid Claim

When a provider has filed a claim with Medicare, Medicare reimburses the claim, and the claim becomes a "crossover" to Medicaid for consideration of payment of the Medicare deductible and/or co-insurance/co-payment.

If, at a later date, it is determined that Medicare has overpaid or underpaid, the provider should re-bill Medicare for a corrected payment. If these adjustments do not "crossover" from Medicare to Medicaid, the provider must submit the adjustment hard copy.

In these cases, it is necessary for the provider to file a hard copy adjustment claim (Molina Form 213) with Medicaid. These should be sent with a copy of the most recent Medicare explanation of benefits and the original explanation of benefits attached to:

Molina Medicaid Solutions Attention: Crossover Adjustments P.O. Box 91023 Baton Rouge, LA 70821

In addition, the provider should write "2X7" at the top of the adjustment/void form to indicate the adjustment is for a Medicare/Medicaid claim.
