

REMINDER: ACA Primary Care Services Enhanced Rates End December 31, 2014

The Affordable Care Act requires State Medicaid programs to pay enhanced rates for certain primary care services provided during calendar years 2013 and 2014.

For claims filed timely, the enhanced rates will continue to be paid for dates of service during calendar years 2013 and 2014.

For services provided on or after January 1, 2015, the enhanced rates will no longer apply and the regular Medicaid rates will be paid.
