

**ATTENTION EPSDT-PROVIDERS and HOSPICE PROVIDERS**

Molina has identified claims for EPSDT-PCS services and Hospice services that were paid to providers in error for dates of service in February 2015. The incorrect payments occurred on Remittance Advice dates 2/10/2015, 2/17/2015, and 2/24/2015. Payments for these services should have been and are required to be made by the Managed Care Organization (MCO) for this service population effective 2-1-2015. Therefore, providers will receive voids for these payments on the check write of 3-31-2015. Providers are expected to verify the correct entity thru MEVS or REVS, and submit their claim(s) for payment to the appropriate MCO. Please contact Molina Provider Relations Unit at 1-800-473-2783 with your questions or concerns regarding these voids. Questions regarding linkage and submission of claims should be directed to the MCO.
